艾德加-北美胡桃木系列

木材是世界上最古老的可再生原材料，它也一直是能量和温暖的源泉。当你接触到这种物质时，你可以感觉到、看到和闻到这种能量，这种物质是如此的有温度和多样性。事实上，可以用木头设计和制造的东西是没有限制的——每一代人都以不同的方式应对创造性挑战。

“艾德加”收纳系统把木材的温暖和金属的冰冷完美融合，将厨房和生活空间变成不可或缺的重要组成部分。我们的设计和制造充满了追求卓越的热情，高柜、转角柜、地柜和吊柜每一个区域的拉篮在元素的组合下不仅看起来漂亮，而且非常注重细节，并具有精心设计的功能。让生活空间散发着温暖和活力，实用而美丽。

Wood is the oldest renewable raw material in the world, and it has always been a source of energy and warmth. When you come into contact with this substance, you can feel, see and smell this energy, this substance is so temperature and diversity. In fact, there is no limit to what can be designed and manufactured from wood—each generation responds to creative challenges in different ways.

The "Edgar" storage system perfectly blends the temperature of wood and the coldness of metal, turning the kitchen and living space into an indispensable part. Our design and manufacturing are full of enthusiasm for the pursuit of excellence. The pull baskets in each area of high cabinets, corner cabinets, floor cabinets and wall cabinets not only look beautiful under the combination of elements, but also pay great attention to details and have well-designed functions. Let the living space exude warmth and vitality, practical and beautiful.

艾德加-北美橡木系列

木材是世界上最古老的可再生原材料，它也一直是能量和温暖的源泉。当你接触到这种物质时，你可以感觉到、看到和闻到这种能量，这种物质是如此的有温度和多样性。

事实上，可以用木头设计和制造的东西是有限制的——每一代人都以不同的方式应对创造性挑战。“艾德加”收纳系统把木材的温暖和金属的冰冷完美融合，将厨房和生活空间变成不可或缺的重要组成部分。

我们的设计和制造充满了追求卓越的热情，高柜、转角柜、地柜和吊柜每一个区域的拉篮在元素的组合下不仅看起来漂亮，而且非常注重细节，并具有精心设计的功能。让生活空间散发着温暖和活力，实用而美丽。

Wood is the oldest renewable raw material in the world, and it has always been a source of energy and warmth. When you come into contact with this substance, you can feel, see and smell this energy, this substance is so temperature and diversity.

In fact, there is no limit to what can be designed and manufactured from wood—each generation responds to creative challenges in different ways. The "Edgar" storage system perfectly blends the temperature of wood and the coldness of metal, turning the kitchen and living space into an indispensable part.

Our design and manufacturing are full of enthusiasm for the pursuit of excellence. The pull baskets in each area of high cabinets, corner cabinets, floor cabinets and wall cabinets not only look beautiful under the combination of elements, but also pay great attention to details and have well-designed functions. Let the living space exude warmth and vitality, practical and beautiful.

艾德加 转角系统

厨房因不同的收纳需求，空间功能的利用也物尽其用。转角系统让夹角的隐蔽焕发新生，让厨房收纳变得更有意思。

Due to the different storage needs of the kitchen, the space function is also used to the fullest. The corner system rejuvenates the concealment of the angle and makes the kitchen storage more interesting.

以往，厨房转角是利用率最低的空间，而转角系统的诞生，既让空间利用率大大提高，又能增加收纳容量。

In the past, kitchen corners were the least utilized space, but the birth of the corner system greatly improved the space utilization and increased storage capacity.

艾德加 转角系统

厨房因不同的收纳需求，空间功能的利用也物尽其用。转角系统让夹角的隐蔽焕发新生，让厨房收纳变得更有意思。

Due to the different storage needs of the kitchen, the space function is also used to the fullest. The corner system rejuvenates the concealment of the angle and makes the kitchen storage more interesting.

以往，厨房转角是利用率最低的空间，而转角系统的诞生，既让空间利用率大大提高，又能增加收纳容量。

In the past, kitchen corners were the least utilized space, but the birth of the corner system greatly improved the space utilization and increased storage capacity.
